Steppes School of Dance Stage Make Up

It is necessary for students to wear make up on stage as the strong lighting can wash their skin colouring and features out. All students should have their own make up, we encourage children to have their own lipsticks and not share with others. Please do not apply lipstick before they arrive but put in their bags. Our volunteers will put lipstick only on the children.

Foundation / Base	Try to match to student's skin tone apply to face and even out in the neck.
Eye shadow	Brown eye shadow at the bottom of the eyelid, the a lighter brown gradually getting lighter towards the eye brow
Lipstick	A bright red
Eyeliner / Mascara	Only for students who will not rub eyes
False Eye lashes	Optional for students 10yrs. 12yrs and upwards to seniorstudents we would prefer
Blush	Not too much blush but enough to high light cheekbones, do not put in circles.
Performance Kit	We suggest that parents make their children a kit to have in their bag with the following items: Water, Snack (nothing that contains nuts) & Drink, Lipstick, Makeup, Hairpins – spare both bobby and French / Fringe pins, Hair net – spare, Tissues, Hairbrush

Below are a few photos of Jacqueline wearing basic stage makeup. Don't be worried about how much makeup you are putting on as the stage lights are strong and will wash students features out on stage. Please also visit our Concert page on our website to view a few stage makeup tutorials.

Here is a quick list of some good affordable makeup brands and where you can buy them:

- ELF - Kmart / Target / Big W
- W7 - Chemist Warehouse
