

Photo Shoot Days

Saturday 9th and Sunday 10th November
at Steppes School of Dance 3 Sydenham Street, Highett 3190

Every year Steppes holds professional photo shoots sessions for all classes performing in our end of year performances. Students are not needed for all dates and times. Classes are timetabled into sections over these dates. Although not everyone will purchase these professional photographs, we still ask that all students attended.

We will have signs up relating to check in and check out point areas. It can become very congested at the studio when students are being dropped off and checking in for their photos. **With this in mind, and for OH&S (Occupation Health & Safety) reasons, parents and families are not able to stay and watch during photo sessions.** Students over the age of 13yrs (Year 7 at Secondary School) may sign themselves out if they come with a signed note from a guardian. This is to be presented at check in and out. They cannot just leave Steppes.

Steppes School of Dance ~ Stage Make Up

It is necessary for students to wear make up on stage as the strong lighting can wash their skin colouring and features out. All students should have their own make up, we encourage children to have their own lipsticks and not share with others. Please do not apply lipstick before they arrive but put in their bags. Our volunteers will put lipstick only on the children.

Foundation / Base	Try to match to student's skin tone apply to face and even out in the neck
Eye shadow	Brown eye shadow at the bottom of the eyelid, the a lighter brown gradually getting lighter towards the eye brow
Lipstick	A bright red
Eyeliner / Mascara	Only for students who will not rub eyes
False Eye lashes	Optional for students 10yrs. 12yrs and upwards to senior students we would prefer
Blush	Not too much blush but enough to high light cheekbones, do not put in circles.
Performance Kit	We suggest that parents make their children a performance kit to have in their bag with the following items: Water, Snack (nothing that contains nuts) & Drink, Lipstick, Makeup, Hairpins – spare both bobby and French / Fringe pins, Hair net – spare, Tissues, Hairbrush

Below are a few photos of Jacqueline wearing basic stage makeup. Don't be worried about how much makeup you are putting on as the stage lights are strong and will wash students features out on stage. Please also visit our Concert page on our website to view a few stage makeup tutorials.
